2nd QUARTER PERFORMANCE REPORTS FY 2015 STATE AND NON-STATE AGENCIES **Department of Finance Executive Budget Office**

	Fiscal Year 2015 Quarterly Performance Report
Agency:	001 AGRICULTURE & INDUSTRIES
Mission:	The goal of the Department of Agriculture and Industries is to serve the farmers and consumers of this state to the best of our ability. Farmers work hard every day to provide our nation with the safest, most abundant and affordable food supply in the world.
Vision:	To provide timely, fair and expert regulatory control over product, business entities, movement, and application of goods and services for which applicable state and federal law exists and strive to protect and provide service to Alabama consumers. Department personnel will actively work to initiate and support economic development activities and promote domestic and international consumption of Alabama products. It is the Department's goal to be recognized for its employee's integrity and professional performance.

Fiscal Year 2015 Quarterly Performance Report

Notes

7	Quarter 1 - (-45% variance): Vessel hours were lower than projected due to multiple officers unable to work due to medical reasons/pending retirements, also officers were being cross trained due to preparation for transition to ALEA; Results for Quarters 2-4 will no longer be DCNR responsibility for reporting since Marine Police Division is being transferred to ALEA effective 1/1/2015.
8	Results for Quarters 2-4 will no longer be DCNR responsibility for reporting since Marine Police Division is being transferred to ALEA effective 1/1/2015.
9	Quarter 1 - (+72% variance): Hours expended on regulatory buoys were higher than projected due to officers servicing damaged or missing navigational aid/hazard marker system because of lower water levels; Results for Quarters 2-4 will no longer be DCNR responsibility for reporting since Marine Police Division is being transferred to ALEA effective 1/1/2015.
10	Quarter 2 - Changes in season length and other WMA regulations resulted in additional days of deer hunting.
11	Quarters 1 & 2 - Unanticipated decision to stock additional Bluegill raised at Fish Hatchery into State Lakes.

Quarter 1 - Patrol time exceeded 45% due to moderate weather that allowed for increased hours. Quarter 2 - Enforcement had 3 new officers graduate from the Academy at the end of the 1st quarter resulting in training officers making efforts during the 2nd to keep the new officers in the field to gain knowledge and experience.

Agency:	013 LABOR DEPARTMENT
Mission:	To administer workforce protection programs for workers and employers such as unemployment compensation, state employment service, labor market information, workers' compensation, and mine safety and reclamation services.
Vision:	To offer demand-driven services for workers and employers that creates a more positive economic environment.
Annual Goals	
1	Unemployment Compensation Division: Collect taxes, pay benefits, meet quality standards within the federal guidelines while providing services to protect Alabama minors in the workplace.
2	Employment Security Division: Transform, with workforce development partners, the workforce delivery system model, enhancing performance, improving productivity and customer satisfaction, despite funding reductions, through leveraging resources to accelerate and improve integration of one-stop services with partner agencies by end of FY 2015.
3	Workers' Compensation Division: Coordinate internal computer programming to improve the efficiency of the workers' compensation screens and create a means to provide employers the ability to file 100% of workers' compensation forms online by the end of FY 2015.
4	Inspection Division: Maintain sufficient safety inspector staffing and equipment enabling the completion of approximately 2,400 timely and thorough safety inspections of mine sites while maintaining two (2) state mine rescue teams and providing safety training as required in order to administer the Code of Alabama, 1975, and the Open Pit and Quarry Safety Rules of the State of Alabama by the end of FY 2015.
5	Inspection Division: Utilize federal and state funding efficiently to restore land and water resources to approximately 120 sites which have been adversely affected by past coal mining practices and the mining of non-fuel minerals by the end of FY 2015.
6	Inspection Division: Identify all boilers, pressure vessels, and elevators that are past due its certificate of operation date by 60 days or more and have owners with past due safety inspections in compliance within an additional 30 days.
7	Labor Market Division: Continue to efficiently and effectively complete deliverables to meet cotractual obligations as required by the Bureau of Labor Statistic Cooperative Programs(BLS), Occupational Employment Statistics (OES), Current Employment Statistics (CES), Local Area Unemployment Statistics (LAUS) Quarterly Census of Employment and Wages (QCEW), and Occupational Safety and Health Administration (OSHA).
8	Labor Market Division: Continue efficiently and effectively complete deliverables to meet contractual obligations to Employment and Training Administration (ETA) Workforce Grant providing quality information that customers can easily access and use to make informed choices.
9	Labor Market Division: Continue to submit weekly, monthly, and quarterly reports to the U.S. Department of Labor Employment and Training Administration (ETA) concerning unemployment benefits. Provide legislative cost estimates as needed.

Fiscal Year 2015 Quarterly Performance Report

Notes

- Ready Alabama Preparedness Day was cancelled due to severe winter weather. Camp attendance was capped at 80 this year due to funding.
- Serve Alabama hired a Public Information Officer who coordinates all of our social media this has significantly raised the target numbers projected for this fiscal year. We are continuing to refine our ability to track the analytics on the fb, twitter, and web pages.
- there was no quarterly program meeting because of the April South Region Conference. Programs received individual training and technical assistance during site visits and on ta calls
