Report Description

This report will display the performance targets and corresponding year-to-date actual information for an agency. The report will also display the mission, vision, and goals established by the agency. This report will be run on demand by regular agency, postsecondary institution, and EBO users, primarily during the operations plan cycle (June 1 – September 1). This report will also be run quarterly by agency and EBO users, coinciding with the recording of quarterly actuals.

Department: 001 - Agriculture & Industries

Mission: The goal of the Department of Agriculture and Industries is to serve the farmers and consumers of this state to the best of our ability. Farmers work hard every day to provide our nation with the safest, most abundant and affordable food supply in the world.

Vision: To provide timely, fair and expert regulatory control over product, business entities, movement, and application of goods and services for which applicable state and federal law exists and strive to protect and provide service to Alabama consumers. Department personnel will actively work to initiate and support economic development activities and promote domestic and international consumption of Alabama products. It is the Department's goal to be recognized for its employee's integrity and professional performance.
